Speaking at a Board Meeting

The FINAL Agenda for Board meetings is required to be sent to the Owners no later than **72 hours** prior to the start of the meeting, so everyone is made aware of the topics and discussion threads that are slated for considerations, dialogue and decision.

Customarily, a Board agenda is set and conveyed 1 week prior to a meeting. We offer that the timeframe for requests to address the Board is generous.

Please make sure that you let the marina office know if you would like to speak to the Board 7 days in
